

## *My Tour - Rewards Program* **PARENTS INFORMATION SHEET**

My Tour Rewards Program encourages kids to play more by trying new programs and at the same time educates them about the ATP World Tour. It also motivates kids by rewarding improvement and loyalty with Sponsorships and Trophy's. Pupils win a round by completing either a task, or enrolling into a program, under one of our Program Categories. Once a pupil qualifies for the main draw as encouragement he/she wins Free Sponsorship [valued at \$100's of dollars] and after winning the tournament a great Trophy. Please bring you're book to each class as tasks are held through-out the term. It is the pupil's responsibility to have their coach sign off your book each time you win a round. Parents/Carers should keep the book for younger pupils.

### **CONDITIONS:**

- [1] Players are eligible for participation in the My Tour Program *only whilst currently enrolled in one of our semester [half year] member coaching programs*. If pupils cease attending semester coaching in either: squad, group or private classes they immediately become ineligible for Sponsorship and Trophy's.
- [2] Pupils must be *financial by the due date* for the entire semester to win a round, late bookings, or part payment, are not eligible to win a round. If you pay by the term and you book in for *two consecutive terms* you will also win a round. To win a round in the Holiday Program you must attend *all four days* of either the half or full day clinic.
- [3] You can only win one round per semester from each category [except club membership which is once per year]. There are six different programs with fourteen different categories/ways to win a round per semester. E.g.
